A HEART FOR STUDENTS

As an educator, you know that some things simply deserve our best – our families, our communities, our country, and of course, our bright young Canadian minds. It's what led you to your passion in the beginning, and it's what keeps you motivated day after spirited day. This same belief guides us as we serve schools.

A PASSION FOR SERVICE

We know your graduation ceremony will be remembered with fondness and we promise our every detail will help you paint a perfect picture for your big day. From the largest selection of graduation apparel and accessories in Canada, to hassle-free last-minute changes, and *there when you need us* grad regalia pick-up and return, Gaspard believes your celebration also deserves *our* very best.

A LOVE OF COUNTRY

Just as you envision your students' long-term success, we continue to look to the future as we develop our classically stylish rental regalia line. When you choose Gaspard, you are not only making a choice for premium *Made in Canada* quality, you are also truly embracing an environmentally responsible decision.

A RESPONSIBILITY TO COMMUNITY

Some of our competitors exclusively offer products which can compromise the health and sustainability of our unique and precious planet. These garments often enter our local landfills and can take hundreds, if not thousands of years to safely break down. When you choose Gaspard and our elegant and classic rental grad gowns, you continue to represent that special stewardship commitment you've long assured our children.

A COMMITMENT TO YOU!

We know you've grappled with an entire year of meetings, decisions and planning, all for this special parting gift to your students. Of all the details to keep in mind for your graduation ceremony, you can choose Gaspard and rest secure in 100 years of Canada proud big day celebrations.
