Some Things Simply Deserve Our Best

A HEART FOR STUDENTS

As an educator, you know that some things simply deserve our best – our families, our communities, our country, and of course, our bright young Canadian minds. It's what led you to your passion in the beginning, and it's what keeps you motivated day after spirited day. This same belief guides us as we serve schools.

A PASSION FOR SERVICE

We know your graduation ceremony will be remembered with fondness and we promise our every detail will help you paint a perfect picture for your big day. From the largest selection of graduation apparel and accessories in Canada, to hassle-free last-minute changes, and *there when you need us* grad regalia pick-up and return, Gaspard believes your celebration also deserves *our* very best.

A LOVE OF COUNTRY

Just as you envision your students' long-term success, we continue to look to the future as we develop our classically stylish rental regalia line. When you choose Gaspard, you are not only making a choice for premium *Made in Canada* quality, you are also truly embracing an environmentally responsible decision.

A RESPONSIBILITY TO COMMUNITY

Some of our competitors exclusively offer products which can compromise the health and sustainability of our unique and precious planet. These garments often enter our local landfills and can take hundreds, if not thousands of years to safely break down. When you choose Gaspard and our elegant and classic rental grad gowns, you continue to represent that special stewardship commitment you've long assured our children.

A COMMITMENT TO YOU!

We know you've grappled with an entire year of meetings, decisions and planning, all for this special parting gift to your students. Of all the details to keep in mind for your graduation ceremony, you can choose Gaspard and rest secure in 100 years of Canada proud big day celebrations.

Go Green. Go Rental!

KEEPING CANADA GREEN

More than anything, Gaspard is an effusively proud Canadian company. Our prestige quality rental regalia is designed and manufactured in Canada and distributed from fully serviced offices and customer centres that stretch from the idyllic shores of British Columbia to the majestic cliffs of Newfoundland. As a result of our genuine love of country and all things Canadiana, Gaspard continues to expand and grow its commitment to environmentally friendly and ecologically conscious products and services.

To that end, we are committed to our premium rental regalia line, despite other company's shortsighted focus on profits. This grad season, as always, you can count on Gaspard for immaculate, reusable gowns that truly look and wear first class, while ensuring our one-of-a-kind country remains a shining example of global environmental stewardship.

WHAT'S NEW FOR THE 2016/17 GRAD SEASON?

This year we've raised the bar with even more customization! From souvenir caps to traditional stoles and vee stoles, if you can dream it, we can create it. Our customization options allow you to play up your personality with a team mascot, or promote school pride with your logo. Bring us an idea and we'll make it happen!

We've also expanded our rental options. In the past, some accessories, such as custom vee stoles, were only available for purchase. However, Canadian schools have let us know loud and clear that they want to help students celebrate their big day with a smaller environmental footprint. We're thrilled!

See page 4 and 5 for exciting custom product details.

2017 KEEP CANADA GREEN STUDENT SCHOLARSHIPS

We are so excited about our *Keep Canada Green* Online Scholarship Contest... and many of you are, too!

When we started our online scholarship program, we had a hunch Canadian students were keen on learning more about our environment. But we've been truly amazed by the participation and enthusiasm we've received. In just three years, thousands of students from sea to shining sea have tested their environmental knowledge, and Gaspard has given away scholarships totalling \$35,000 to deserving students who've gone green!

Flip to page 7 to get your students started in the *Keep Canada Green* Online Scholarship game. Maybe one of your students has what it takes to win!

Celebrate academic excellence by creating a traditional academic ceremony. By renting regalia for both your students and faculty, you can demonstrate your institution's commitment to academic excellence. Traditionally, faculty members wear regalia representing the university they attended and the degree they received. Gaspard stocks regalia for most Canadian universities – all we need is the name of the university and the degree received and we will take care of the rest.

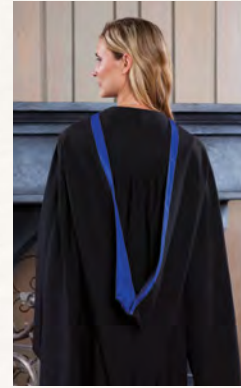

Not only will your graduation show your school's academic excellence, but you will also receive a 10% discount off the rental of your entire faculty order when ordered in combination with your student order.
