BARRISTERS JUDICIAL ROBE

Gaspard's Barrister Robe is 100% polyester and wrinkle-resistant. Our Barrister Robe is washable and ready to wear with minimal care required. The Barrister's Robe features classic fluting, shoulder tab, and pleated sleeves with button details.

BARRISTERS WAISTCOAT

The Barrister's Waistcoat is tailored in the traditional style and designed for today's high profile, fast moving legal profession. The Waistcoat is made from black pilgrim fabric which has the appearance of fine wool with none of the care problems. It is washable and ready to wear with very little or no touch up. An adjustable back strap allows for a comfortable fit.

THE LEGAL SHIRT FRONT

The legal shirt front looks good under your waistcoat identical to a full shirt when worn over a t-shirt or a blouse. It is lightweight, comfortable and cool to wear. The tabs are permanently attached. The shirt front attaches with velcro to the back of the neck and goes on in seconds. The shirt front is made from white finely woven polycotton broadcloth. Toss it in the laundry and tumble dry without special care.

COURTROOM SHIRT

Made from a blend of polyester/cotton.
Also available with either French Cuffs or Button Cuff.
